

## AQUAPUL GR

A solvent dilutable fatliquor cream for pull-up and waxy leathers with strong waterproofing ability. It contains a blend of high quality natural and synthetic grease components resulting in a pronounced darkening effect and greasy yet casual look on uppers. It holds a strong waterproofing power and fast drying ability due to the solvent system. It imparts uniformity with a greasy, waxy and pleasant feel. Also suitable for a repeat treatment if greater protection is required.

- Characteristics :
- Waterproofing fatliquor cream
  - Provides a pronounced darkening effect
  - Confers greasy, waxy & pleasant feel
  - Fast drying ability due to solvent system
  - Acts as refreshing agent on uppers
