

## REPPLAN OL

A water based reviver for nubuck and suede. It is an emulsion, blended with Amino Siliconic softeners. It rebuilds and refreshes the look and feel of the uppers. It gives an overall bright appearance and brings uniformity to the difference in color that is often found after shoe assemblage. It also improves the typical writing effect. It imparts silky, soft and dry luster and acquires color intensity and oil stain repellency.

- Characteristics :
- Reviver for Nubuck & Suede uppers
  - Suitable for combination of nubuck and full grain leather
  - Rebuilds and refreshes the look & feel
  - Brings intensity and uniformity to colors
  - Improves typical writing effect
