DIRECTORS' REPORT

Dear Shareholders,

The Directors of Haryana Leather Chemicals Ltd. are pleased to present the 37th Annual Report and Audited Statement of the Company's accounts for the year ended on 31st March, 2022.

FINANCIAL RESULTS:

A summary of the financial results for the year 2021-22 is given below:

	2021-22 (Rs. in Lacs)	2020-21 (Rs. in Lacs)
Sales Turnover (Net of Taxes)	3887.72	2784.18
Gross Profit	263.53	294.65
Deductions:

Less: Provision for dividend tax	0.00	0.00
Less: Transfer to general reserve	0.00	0.00
Profit Carried to Balance Sheet	131.34	159.93

OPERATIONS:

During the year, there is an increase in sales turnover which stands at Rs.3887.72 lakhs against Rs.2784.18 lakhs of the previous year. The decrease in profit of Rs.131.34 lakhs as against Rs.159.93 lakhs of the previous year is due to higher material & freight cost and not able to pass the full increase to our customers due to highly competitive market.

The raw material costs have been on the rise since starting of Covid 19 about two years back. Though the pandemic has abated, however unfortunately the war between Russia and Ukraine has affected company's business as the raw material prices escalated again because of unavailability of import material.

DIVIDEND:

As the company's profits have been badly hit, to secure long-term stability in finances and operations of the company, the Board of Directors has decided to skip dividend for the financial year ended on March 31, 2022.

DIRECTORS

The composition of the Board of Directors of the Company is furnished in the Corporate Governance Report annexed to this report. The members of the Company approved deletion of the requirement of seeking ratification of appointment of Statutory Auditors at every AGM pursuant to amendment brought by the Companies Amendment Act, 2017.

The Auditors Report for FY 2021-22 forms part of this Annual Report and does not contain any qualification, reservation or adverse remark. Auditor's report does not need any comments from the Directors.

DECLARATION BY INDEPENDENT DIRECTORS

The Company has received necessary declaration from the Independent Directors confirming that they meet the criteria of independence as prescribed under the Companies Act, 2013 and SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015. Independent Directors are in compliance with the Code of Conduct prescribed under Schedule IV of the Companies Act, 2013.

MEETINGS OF THE BOARD, COMMITTEES & COMPLIANCE TO SECRETARIAL STANDARDS

The Board meets at regular intervals, with gap between two meetings not exceeding 120 days. During the year under review, the Board met four times.

The Board has three Committees namely Audit Committee (AC), Nomination and Remuneration Committee (NRC) and Stake holders Relationship Committee (SRC). A detailed note on the composition of the Board and its Committees (AC, NRC and SRC) is provided in the Corporate Governance Report included in this Annual Report. The minutes of the meetings are reviewed at every Board meeting.

During the year under the review, the Company has complied with the provisions of Secretarial Standard 1 (relating to meeting of the Board of Directors) and Secretarial Standard 2 (relating to General meeting).

PARTICULARS OF EMPLOYEES u/s 134 (3) OF THE COMPANIES ACT, 2013

The information required pursuant to Section 134 read with Rule 5 (1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 in respect of Directors, Key Managerial Personnel (KMP) and Employees of the Company are provided as follows:

The Company did not employ any person drawing a remuneration of Rs.5,00,000.00 or above for one month or part of the month or Rs. 60,00,000.00 or above for one year, whose particulars are required to be mentioned u/s 197 of the Companies Act, 2013.

SECRETARIAL AUDITORS

Neeraj Gupta & Associates, a firm of Company Secretaries in Practice (CP No. 4006) to undertake the Secretarial Audit of the Company for the financial year ended 2022-23. The report on the Secretarial Audit carried out for the year 2021-22 is annexed herewith as Annexure-B. The Secretarial Audit Report does not contain any qualification, reservation, adverse remark or disclaimer.

SUBSIDIARY & CONSOLIDATED FINANCIAL STATEMENTS:

The Company is not required to consolidate its financial statements for the year ended 31st March, 2022 as the Company doesn't have any Subsidiary, Associates and Joint Ventures Companies.

COST AUDITOR'S COMPLIANCE

The Central Government has directed that a cost audit of the Company should be conducted in the manner specified in MCA order 52/26/CAB-2010 Dt. 24-01-2012, or any amendment thereof, by a Cost Accountant within the meaning of the Cost and Works Accountants Act, 1959 as amended thereof.

However, as per Companies (cost records and audit) Rules, 2014 notified by Ministry of Corporate Affairs, cost audit is not applicable to the Company by virtue of its turnover being less than the prescribed limits. Therefore, the Board did not proceed with the appointment of cost auditor and cost audit for the year 2021-22.

The Company is properly maintaining its cost record internally.

CORPORATE SOCIAL RESPONSIBILITY

With the enactment of the Companies Act, 2013, India has become the forerunner to mandate spend on Corporate Social Responsibility (CSR) activities through a statutory provision.

The new CSR provisions put formal and greater responsibility on Companies in India to set out clear framework and processes to ensure strict compliance. However, what the Companies Act does is bring more Companies into the fold and increase the total CSR spend.

Section 135 (1) of Company Act 2013 mandates the CSR expenditure/CSR Applicability only for the Companies having following:

- a) Net worth of Rs.500 crore,
- b) Turnover of Rs.1000 crore
- c) or net profit of Rs.5.00 crore where net profit excludes income from overseas branch & divided distributed by Company on which this section apply.

As the Company, Haryana Leather Chemicals Limited doesn't fall under any of the categories as mentioned above, the Company was not required to constitute any CSR policy or to make any expenditure towards CSR funds.

WOMAN DIRECTOR

In terms of Section 149 of the Act 2013 read with Rule 3 of the Companies (Appointment and Qualification of Directors, Rules, 2014 and SEBI Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is required to have a woman Director on its Board. Mrs. Sippy Jain is already appointed as the Director of the Company.

PROTECTION OF WOMEN AGAINST SEXUAL HARASSMENT AT WORK PLACE

The Company has complied with provisions relating to the constitution of Internal Complaints Committee under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redresser) Act, 2013 [14 of 2013].

TRANSFER OF FUNDS TO INVESTOR EDUCATION AND PROTECTION FUND

The Company is distributing dividend to its shareholders since 2006 on recommendation of the shareholders of the Company. And pursuant to the provisions of sections 124 and 125 of the Companies Act, 2013 and Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016 as amended from time to time, for the unclaimed dividend for the year 2014-2015 amounting to Rs.4,56,748.20, the Board has taken necessary steps to transfer the unpaid/unclaimed dividend of Equity Shareholders for the year 2014-15 to the Investor Education and Protection Fund (IEPF) of the Central Government established under section 124 and 125 of the Companies Act, 2013.

DIVIDEND DISTRIBUTION POLICY

Pursuant to Regulation 43A and recent amendments to SEBI (LODR) Regulations, 2015 and on the basis of market capitalization your Company has formulated a "Dividend Distribution Policy". The said policy is available on the website of the Company at www.leatherchem.com

NOMINATION AND REMUNERATION POLICY

The Nomination and Remuneration Committee of Directors (NRC) reviews the composition of the Board of Directors of the Company, to ensure that there is an appropriate mix of abilities, qualifications, experience and diversity to serve the interests of all shareholders and the Company.

During the year, in accordance with the requirements under Section 178 of the Companies Act 2013 and relevant clause of Listing Agreement, the NRC formulated a Nomination and Remuneration Policy to govern the terms of nomination/appointment and remuneration of

- i) Directors,
- ii) Key Managerial Personnel (KMPs) and
- iii) Senior Management Personnel (SMPs) of the Company
- iv) The NRC also reviews succession planning of both SMPs and Board. The Company's approach in recent years is to have a greater component of performance linked remuneration for SMPs. The process of appointing a Director/KMPs/SMPs is, that when a vacancy arises, or is expected, the NRC will identify, ascertain the integrity, qualification, appropriate expertise and experience, having regard to the skills that the candidate will bring to the Board/Company, and the balance of skills added to that of which the existing members hold.

The NRC will review the profile of persons and the most suitable person is either recommended for appointment by the Board or is recommended to shareholders for their election. The NRC has discretion to decide whether qualification, expertise and experience possessed by a person are sufficient/satisfactory for the concerned position.

NRC will ensure that any person(s) who is/are appointed or continues in the employment of the Company as its Executive Chairman, Managing Director, whole-time Director shall comply with the conditions as laid out under Schedule V to the Act 2013.

NRC will ensure that any appointment of a person as an independent Director of the Company will be made in accordance with the provisions of Section 149 read with Schedule V of the Act 2013 along with any other applicable provisions and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

VIGIL MECHANISM/ WHISTLE BLOWER POLICY

While every employee's contract of employment stipulates that he/she will not disclose confidential information about the employer's affairs, in order to bring about accountability and transparency, there should be a mechanism to enable employees to voice their concerns where they discover information which they believe shows serious malpractice, impropriety, abuse or wrong doing within the organization. The employees should be encouraged and assisted to raise concerns without any fear of victimization, subsequent discrimination or disadvantage. If the employee has acted in good faith it does not matter if one is mistaken and the Company shall ensure protection from any harassment or victimization of/against the disclosing employee.

The Company has adopted a Whistle Blower Policy which applies to all permanent employees of the Company including those who are on probation and comes in to effect from April 1, 2014, to provide a formal mechanism to the Directors and employees to report their concerns about unethical behavior, actual or suspected fraud or violation of the Company's Code of Conduct or ethics policy. The Policy provides for adequate safeguards against victimization of employees who avail of the mechanism and also provides for direct access to the Chairman of the Audit Committee. It is affirmed that no personnel of the Company has been denied access to the Audit Committee.

The Board of Director's acknowledges the responsibility for ensuring compliances with the provisions of section 134 (3)(c) read with section 134 (5) of the Companies Act, 2013 in the preparation of Annual Accounts for the financial year ended on 31st March, 2022.

The Board of Directors of the Company confirms that:

- a. During the preparing of the annual accounts, the applicable accounting standards have been followed and no material departure has taken place.
- b. The Selected accounting policies were applied consistently and the Director's made judgments and estimates that are reasonable and prudent so as to give an accurate view of the state of affairs of the Company as on March 31, 2022 and of the profit of the Company for the year ended on that date.
- c. Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company, and for preventing and detecting fraud and other irregularities.
- d. Annual accounts have been prepared on an ongoing concern basis.
- e. The Directors have devised proper systems to ensure compliance with the provision following applicable laws and that such systems were adequate and operating effectively.

RELATED PARTY TRANSACTIONS

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. There are no materially significant related party transactions made by the Company with Related Parties which may have a potential conflict with the interest of the Company at large. All Related Party Transactions are placed before the Audit Committee as also the Board for approval.

INTERNAL FINANCIAL CONTROLS

The Company has in place adequate internal financial controls with reference to Financial Statements. During the year under review, such controls were retested by the Auditors and no reportable material weakness was observed.

EXTRACT OF ANNUAL RETURN

The details forming part of the extract of the Annual Return in form MGT-9 is annexed here with in the Annual Report.

QUALITY CONTROL:

Persistent feedback from the dealers and employees has enabled further improvement in the quality control systems of finished product and in -process. The entire quality control system of the company -finished products and raw material is aligned with the best international standards. ISO 9001:2008 and ISO 14001:2004 systems undergo regular internal and external audits and have ensured strict compliance at each step. Complaints from the customer side are minimized to near zero.

The company has registered with ZDHC (Zero Discharge of Hazardous substances) and products external testing and listing under ZDHC is in progress. The Company regularly updates guidelines on Restricted Substances (RS) applicable to leather industry from time to time. Company's "Green -Trek" safety and environmental ethos have been widely recognized by the customers. Internal screening, calibrated with external testing has ensured zero incidence of detection of any of banned substances listed under REACH (Registration, Evaluation and Authorization of Chemicals).

EXPORT OPERATIONS:

The Company has made tremendous efforts to meet its export targets in the backdrop of Russia Ukraine war. Russia being one of our major exporting countries has been disrupted due to US sanctions and the services stopped by the shipping companies. However, company continues to add new markets like Ethiopia and maintain its existing dealers and customer base.

Last year company has achieved a good result in Latin American countries. However due to increase in freight cost the business couldn't sustain for long. Exports to Asia, Turkey and CIS countries remain steady. Since the travel restrictions have been eased off, the company is positive that export targets can be realized.

TECHNOLOGY DEVELOPMENT:

During the year, the company successfully completed the development relating to detection of unreacted ingredients. In Polyurethane dispersions unreacted Hydrazine has been successfully detected and controlled using HPLC methods. The detection of unreacted monomer has also been successfully completed, but some work to lower down the levels during production is ongoing. These techniques will immensely help in lowering of VOC (Volatile Organic Content). In addition to above the company also undertook following developmental work due to the urgency to improve some of the key material handling processes.

1. Adoption of sanitary Tri-clover (TC) connections technology for all fluid transfer loops. TC connections are primarily used in Pharma and food industry in western countries. Under this plan, each and every loop engaged in fluid transfer was mapped, converted into interchangeable TC pipe and hose connections. This change required smart engineering ideas and design efforts. The conversion to TC ensures near zero spill, quick changeover of batches and much reduced maintenance and turnaround time during breakdowns.
2. The company had undertaken digital transformation of production instructions and implemented a system of E-LOG (digital logging) of process for any quality tracing and audit. Using the computerized instruction, the shop floor operator could exercise much better control on various complexities during processing and reactions. The plan was founded on use of rugged computers to display production instructions, step by step in relation to the equipment involved. The company hopes to minimize chances of any error by the operator that can affect the quality of the product or safety of the plant and operator.

PERSONNEL & INDUSTRIAL RELATION:

The employees of the Company participated in various technology development works, safety during production, processes and warehousing, and very responsibly adhered to various Covid Safety measures and work ethos. The production and sales team demonstrated exemplary courage to fulfill delivery targets in spite of shortage of raw materials and supply interruptions from supplier's especially foreign suppliers. Employee-employer relations now have a deeper bond of trust and commitment to customer satisfaction and work safety.

ENVIRONMENT & POLLUTION CONTROL MEASURES:

The company's environment and pollution control innovation are based on latest technology trends. These measures have been efficiently implemented due to employee's insight and their deeper commitment to sustainability goals. The company's sustainability goals listed below, and achievements have gone beyond statutory regulations by setting a higher bar for social and environmental needs.

During the year, steps were taken to reduce wastewater, use of Biodiesel reduced the fossil fuel footprint, spills and leaks were reduced due to improvement in material flow based on Tri clover hoses and connections. Though the Company had successfully installed CEMS (Continuous Emission/Effluent Monitoring System) to provide continuous information to HSPCB, but with the upcoming changeover to LPG during the year 22-23, the flue gas emissions will be further reduced to nil.

ACKNOWLEDGEMENT:

The Directors extend their most sincere thanks to all employees for their commitment to mitigate the unprecedented challenges of price fluctuation, second and third wave of pandemic and frequent supply disruptions. Company's suppliers, dealers, service providers, and technical consultants have continued their wholehearted support and the Directors deeply appreciate their role. The Directors are thankful to the esteemed shareholders for their continued support and the confidence reposed in the Company and its management.

B) TECHNOLOGY ABSORPTION:

a) Research & Development (R & D)

1. Specific area in which R & D was carried out:

During the year, the company had undertaken following R & D projects towards improvement of Production processes.

Adoption of sanitary Tri-clover (TC) connections technology for all fluid transfer loops. TC connections are primarily used in pharma and food industry in western countries. Under this plan, each and every loop engaged in fluid transfer was mapped, converted into interchangeable TC pipe and hose connections. This change required smart engineering ideas and design efforts. The conversion to TC ensures near zero spill, quick changeover of batches and much reduced maintenance and turnaround time during breakdowns.

The company had undertaken digital transformation of production instructions and implemented a system of E-LOG (digital logging) of process for any quality audit. Using the computerized instruction, the shop floor operator could exercise much better control on various complexities during processing and reactions. The plan was founded on use of rugged computers to display production instructions, step by step in relation to the equipment involved. The

company hopes to minimize chances of any error by the operator that can affect the quality of the product or safety of the plant and operator.

2. Benefits derived as a result of above R&D:

The above R&D resulted in reduced spills and leaks due to improvement in material flow based on Tri clover hoses and connections. The system of E-log enabled deskilling of the processes and ensured repeatability and more transparent quality audits. These technologies will render company’s material handling and processes safer, help achieve sustainability goals, improve employees’ safety, and consolidate company’s brand image.

3. Future Plan of Action:

For the year 22-23, the company has undertaken following development projects towards improvement of production processes.

Recovery of wastewater: The Company’s products require purification of water using RO and demineralization process. This results in a lot of wastewaters and increased load of effluent treatment. The company plans to research on methods based on second stage RO and ultrafiltration for further recovery of purified water from the wastewater stream so that there is reduced need to draw ground water. This will improve water table around the compound that is diminishing fast.

The company plans to undertake research on reduction of evaporation losses in storage tank due to atmospheric venting. Due to extreme summers, it is feared that highly volatile solvents evaporate causing material losses and higher VOC around the production areas. The company plans to research on breather valve technology to reduce venting losses. Some trials are underway; various safety aspects relating to controlled venting are under consideration. This will reduce material losses during storage and improve yield.

These technologies will render long term benefits in terms improved process control & efficiency, yield improvement, safety and manpower optimization.

4. R&D expenditure

a) Capital:	2.05 lacs
b) Recurring:	48.33 lacs
c) Total:	50.38 lacs
d) Total R&D Expenditure:	1.30% lacs as percentage of total turnover

C) TECHNOLOGY ABSORPTION, ADAPTATION & INNOVATION

- a) All previously imported technologies have been fully absorbed and commercialized.
- b) The indigenously developed technologies of previous years have been absorbed and commercialized.

D) FOREIGN EXCHANGE EARNINGS & OUTGO

- a) The Company s foreign exchange earnings from the exports (Inclusive of foreign exchange fluctuations) were Rs.803.52 lacs.
- b) The expenditure in foreign exchange during the financial year under review is Rs.51.52 Lacs. This is related to payment towards raw materials, import of capital goods, payment of overseas travel of Directors & Employees.

MANAGEMENT DISCUSSIONS AND ANALYSIS REPORT

1. Industry Structure:

Leather and leather products including footwear has achieved a growth of 32.5% in the year 2021-22 as their export increased to 4.9 billion USD from 3 billion USD of 2020-21. The Company has also seen sustainable growth in sales and business for 2021-22 in line with industry trend.

2. Opportunities & Threats:

Opportunities:

The leather industry in India has one of the youngest workforce, and 55% of the workforce fewer than 35 years of age. The industry is noted for high export revenue and is one of the current top foreign exchange earners. With access to 20% of the world cattle and buffalo as well as 11% of the world goat and sheep population, India has a large source of raw material.

Threats:

Economic slowdowns of mega developed countries are expected to lower export of leather made products to their nation. Leather industry is considered causing a large source of pollution due to tanning and other processes which may delay clearance of various new projects. However, adoption of zero liquid discharge (ZLD) by the tanning industry is expected to solve the problem to some extent. Apart from this effluent management, non-tariff barriers, quality specifications and cost of compliance to various safety standards hinder the export growth of Indian leather industry.

3. Segment-wise or product-wise performance:

In the Finishing Chemicals segments, Company's compact finishes and lacquers are very well recognized in the export market - especially in countries like Russia and Uzbekistan. The Company foresees further increase in demand due to shortage of Acrylics and Lacquers in the world market. In the Powder Syntan segment, Company has shown growth in domestic as well as in export - in spite of several adverse conditions viz., Covid-19, unprecedented raw material increase and highly fluctuating freight costs.

The Company continues to maintain its market share in high performance finishing products. Company is not able to pass on the full hike in raw material prices of wet end products to its customer fearing loss of some market share. This segment is under constant watch and company is keeping a close eye on the raw material price trends on daily basis.

4. Outlook:

Indian leather industry is a USD 13 billion industry and is expected to grow to USD 25 billion in next 10 years. This industry is of special significance as it employs more than 50% of workforce below 35 year of age. Growing demand, availability of skilled workforce, rising export, ease of availability of raw material and government incentives are the major factors driving the market. Currently India stands in second place in terms of production of footwear and leather Garments.

Availability of labor along with various development programs aimed at providing employment in leather industry is boosting competitive advantage of this industry. Government plans to train around 200 thousand persons annually for leather industry. Also Footwear Design and Development Institute (FDDI) aims to capture the export market with design and fashion developments. The sector is expected to witness growth as government has allowed 100% FDI through automatic route. Government is also aiming to improve productivity of the sector through technological up gradation. Integrated Development of Leather Sector (IDLS) is an important plan of government which expects to almost double productivity of the leather industry in next 10 years.

5. Risks & Concerns:

There are multiple challenges faced by the leather exporters of India, which are given as follows. Moreover, these also include some current problems in the leather industry:

- Because of the religious importance of some livestock, the leather industry is still facing issues when it comes to managing the raw skins - the source of the leather.
- The companies producing leather and leather commodities don't want to invest in Research and Development, to accurately address the demands of the consumers.
- Companies are unable to deliver high value added product and a luxury branding that can compete top European brands .
- Waste management, non-tariff obstacles, etc., barricade the export growth of the leather industry in India.
- The environmental problems related to leather tanning as well as other processing.

6. Internal control systems and their adequacy:

Company's internal control, focus on reliable financial reporting, compliance with laws, regulations and policies. The accounting and auditing assured operational effectiveness and efficiency. Management information systems, demand forecast, purchase and production planning are integrated with SAP based system with transparency of data for key personnel. The data security has been tightened online or offline.

7. Discussion on financial performance with respect to operational performance:

The decrease in profit as compared to last year is mainly due to substantial increase in raw material cost, freight cost and energy cost. The Company has not passed on these cost escalations fully to their customers to remain competitive in the market.

8. Material developments in Human Resources / Industrial Relation front, including number of People employed:

The Company's talent pool remains adequate and is concentrating on more specialized knowledge on laboratory practices, ISO Quality systems, ZDHC and production efficiency. There are no unresolved grievances of workers who have exhibited strict discipline and cordial relations with the management. Increments have remained aligned with market trends across all levels of employees.

Number of employees as on 31.03.2022 was 90.

CORPORATE GOVERNANCE

Based on Regulation 27 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 with BSE (Bombay Stock Exchange Limited) and some of the best policies followed on Corporate Governance, the report containing the details of Corporate Governance systems and processes at Haryana Leather Chemicals Limited is as follows:

1. Company's Philosophy on Corporate Governance

Good Governance ensures adoption of best business practices, and accountability of the person's in-charge of the Company's operations. The Directors of Your's Company aims at not only its own growth but also maximization of benefits to the shareholders, employees, customers, government and also the general public at large. For this purpose the Company continuously strives to improve its level of overall efficiency through good corporate governance, which envisages transparency, professionalism and accountability in all its operations.

Our belief in good corporate citizenship enshrined in the Company's Code of Conduct, its policies, compliance with law and robust internal control systems, which are subjected to regular assessment drives its effectiveness, reinforces integrity of management and fairness in dealing with all the stakeholders. This meets with all statutory and regulatory compliance including SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Fairness to shareholders and common bodies, transparency, disclosures and accountability has been the guiding philosophy on Company's day today and long term operational goals.

Company Policies:

At Haryana Leather Chemicals Limited, the Company strive to conduct its business and strengthen its relationship in a manner that is distinctive, dignified and responsible. The Company adheres to the ethical standards to ensure integrity, transparency, independence and accountability in dealing with all stake holders. Therefore, we have adopted various codes and policies to carry out our duties in an ethical manner. Some of these codes and policies are as follows:

- Code of Board of Directors and Board Committees.
- Code of conduct for prohibition of insider trading.
- Code of business conduct and Ethics for management personnel.
- Code of business policies.
- Values and commitments.
- Health, safety and Environment policies.
- Code of Financial Reporting, Disclosure & Transparency.

2. Role of Company Secretary in overall governance process:

The Company Secretary plays a key role in ensuring that the Board and Committee procedures are followed and reviewed regularly. The Company Secretary is primarily responsible for assisting and advising the Board in conducting the affairs of the Company and to ensure the compliances with applicable statutory requirements, to provide guidance to Directors and to facilitate convening of Meetings. The Company Secretary ensures that the management of the Company should get the proper and relevant information and details for the proper functioning of the Company.

3. Board of Directors

The Board of Directors of the Company are constituted in compliance with the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015 and in accordance with the best practices of Corporate Governance. The Board of Directors consists of Nine Directors, One Executive Director and eight non-executive Directors. Out of the eight non-executive Directors, two are nominees of the collaborators i.e., ICAP Sira Chemicals & Polymers Spa, Italy. The Board normally meets once in every quarter. During the year the Board of Directors met four times on 25.06.2021, 12.08.2021, 10.11.2021 and 11.02.2022.

INDEPENDENT AUDITOR'S REPORT

To The Members of HARYANA LEATHER CHEMICALS LIMITED Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of HARYANA LEATHER CHEMICALS LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there- under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon.
- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also

includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the company

(a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

iv. The Company has not declared any dividend during the year.

v. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure A to Independent Auditor's Report

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of HARYANA LEATHER CHEMICALS LIMITED of even date)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("The Act")

1. We have audited the internal financial controls over financial reporting of HARYANA LEATHER CHEMICALS LIMITED ("the Company") as of March 31, 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the company's internal financial control over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on audit of internal financial control over financial reporting (the "Guidance Notes") and the standards on auditing deemed to be prescribed under section 143(10) of the act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those standards and the guidance notes require that we comply with ethical requirements and planned and performed the audit to obtain reasonable assurance about whether adequate internal financial control over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls system over financial reporting included obtaining an understanding of internal financial controls system over financial reporting, assessing the risks that material weakness exists, and testing and evaluating the design and operating effectiveness of the internal control based on the assessed risk. The procedure selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the Standalone Financial Statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained in our audits is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls system over financial reporting.

Meaning of Internal financial controls over financial reporting

6. A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1.) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company (2.) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorization of management and directors of the company ; and (3.) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitation of Internal financial controls over financial reporting

7. Because of the Inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management over-ride of controls, material misstatements due to error or fraud may occur and not be detected. Also, projection of any evaluations of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the company has, in all material respects, an adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2022 based on the internal financial controls over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

 - (b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- iii. The company has not made investments in, not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties, during the year, and hence reporting under clause 3(iii) of the Order is not applicable.
- iv. In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees, and securities granted in respect of which provisions of section 185 and

section 186 of the Companies Act 2013 are applicable and hence reporting under clause 3(iv) of the Order is not applicable.

- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- vii. In respect of statutory dues:
 - (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.
There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.
 - (b) According to the information and explanations given to us, there are no statutory dues referred to in sub-clause (a) above which have not been deposited on account of any dispute
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix.
 - (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
 - (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - (c) The Company has not taken any term loan during the year and the outstanding term loans at the beginning of the year was applied for the purpose for which the loans were obtained.
 - (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
 - (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
 - (f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
 - (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi.
 - (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
 - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
 - (c) We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.

- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
(b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. The section 135 (Corporate Social Responsibility) of the Companies Act, 2013 is not applicable to the company. hence, reporting under clause (xx) of the Order is not applicable to the Company

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss towards expected risk of delays and default in collection.

Trade receivables are unsecured and are derived from revenue earned from providing healthcare and other ancillary services. No interest is charged on the outstanding balance, regardless of the age of the balance. There are customers who represents more than 5% of the total balance of trade receivable. The risk of non-payment from these customers is considered low as most of these balances are running balance and regular customer

The Company uses judgements in making certain assumptions and selecting inputs to determine impairment of these trade receivables, based on the Company's historical experience towards potential billing adjustments, delays and defaults at the end of each reporting period. The provision matrix used to compute the expected credit loss allowance for different categories of trade receivables is as follows.

Ageing	Expected Credit Allowance %
0 - 1 year	0% - 50%
1 - 2 year	15% - 100%
2 - 3 year	40% - 100%
More than 3 years	70% - 100%

HARYANA LEATHER CHEMICALS LIMITED

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

1) Nature of operations

Haryana Leather Chemicals Limited (the 'Company') was incorporated on 22nd January, 1985 as a Indo-Italian Joint Venture with ICAP-SIRA, Italy focusing on bringing leading product technology from technical alliances in Italy and Spain, resulting in an extensive range of chemicals, coatings and dispersions.

The registered office of the Company is located in HSIIDC Industrial Estate, Hansi Road, Jind-126102, Haryana and the corporate office of the Company is located at Signature Towers, South City – I, Gurugram-122001, Haryana.

2) Application of new and revised Ind ASs

On 16 February, 2015, the Ministry of Corporate Affairs ("MCA") notified the Companies (Indian Accounting Standards) Rules, 2015. The rules specify the Indian Accounting Standards (Ind AS) applicable to certain class of companies and set out dates of applicability. Haryana Leather Chemicals Limited, to whom Ind AS is applicable from 01 April, 2017 as defined in the said notification, is required to apply the standards as specified in Companies (Indian Accounting Standards) Rules 2015 and accordingly the Company has adopted Ind AS from 01 April, 2017 with transition dates as on 01 April, 2016.

As at the date of authorisation of the financial statements, the Company has not applied the following revisions to the Ind AS that have been issued by MCA but are not yet effective:

Ind AS 102 (Amendment) Measurement of cash settled awards, modification of cash settled awards and equity settled awards that includes a 'net settlement' feature

Ind AS 7 (Amendment) Disclosure of changes in liabilities on account of financing activities.

The directors of the Company do not expect that the adoption of the amendments to the standards will have an impact on the financial statements of the Company.

3) Significant accounting policies

3.1 Statement of Compliance

The financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') notified under section 133 of the Companies Act 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015.

3.2 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis.

Historical Cost is generally based on the fair value of the consideration given in exchange of goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company taken into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

3.3 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for returns, trade allowances for deduction, rebates, goods & service tax and amounts collected on behalf of third parties.

Operating Income

Revenue from sale of manufactured products is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The Company collects Goods & Service Tax (GST) and other taxes on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

Interest income

Interest income is recognized on accrual basis.

3.4 Foreign currencies

Foreign Currency transactions are recorded at the exchange rate prevailing at the date of transaction and monetary items denominated in foreign currency are restated at rates prevailing on the date of balance sheet. The exchange fluctuation arising is shown as "Foreign Exchange Fluctuation Gain / (Loss)" in the

statement of profit and loss as per the requirement of IndAS 21 "The Effects of Changes in Foreign Exchange Rates."

3.5 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All borrowing costs are recognized in the statement of profit and loss in the period in which they are incurred.

3.6 Government grants

Government grants are not recognized until there is reasonable assurance that the Company will comply with the conditions attaching to them and such grants can reasonably have a value placed upon them.

Government grants are recognized in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Company with no future related costs are recognized in profit or loss in the period in which they become receivable.

3.7 Employee benefits

i) Retirement benefit costs and termination benefits

Payments to defined contribution retirement benefit plans are recognized as an expense when employees have rendered service entitling them to the contributions.

For defined benefit retirement benefit plans like provident fund and Employee State Insurance, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each Balance Sheet date.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Remeasurement recognized in other comprehensive income is reflected immediately in retained earnings and is not reclassified to the statement of profit and loss. Past service cost is recognized in the statement of profit and loss in the period of a plan amendment.

Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The company presents the first two components of defined benefit costs in the statement of profit and loss in the line item 'Employee benefits expense' and "Finance Cost" respectively. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognized in the balance sheet represents the actual deficit or surplus in the company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognized at the earlier of when the company can no longer withdraw the offer of the termination benefit and when the company recognizes any related restructuring costs.

ii) Short-term and other long-term employee benefits:

A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognized in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the company in respect of services provided by employees up to the reporting date.

iii) Contributions to provident fund

The Company makes contributions to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. Provident Fund is a defined benefit scheme the contribution of which is being deposited with "Employees Provident Fund Organisation"; such contribution to the organisation additionally requires the Company to guarantee payment of interest at rates notified by the Central Government from time to time, for which shortfall, if any has to be provided for as at the balance sheet date.

3.8 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

i) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The current tax is calculated using tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates.

ii) Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in computation of taxable profit.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

In the case of unused tax losses probability is evaluated considering factors like existence of sufficient taxable temporary differences, convincing other evidence that sufficient taxable profit will be available. At the end of each reporting period, the company reassess unrecognized deferred tax assets and, the company recognizes a previously unrecognized Deferred Tax Asset to the extent that it has become probable that future taxable profit will allow the Deferred Tax Asset to be recovered.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable company and the same taxation authority.

iii) Current and deferred tax for the year

Current and deferred tax are recognized in the statement of profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

3.9 Property, plant and equipment(PPE)

For transition to Ind AS, The Company has elected to continue with the carrying value of all of its PPE recognized as of 01 April, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Land and Building held for use in the supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment

when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Freehold Land is not depreciated

PPE are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

Components of costs

The cost of an asset includes the purchase cost including import duties and non-refundable taxes, borrowing costs if capitalization criteria are met and any directly attributable costs of bringing an asset to the location and condition of its intended use.

Subsequent expenditure related to an item of PPE is added to its carrying value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance.

All other expenditure related to existing assets including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss in the period during which such expenditure is incurred.

The carrying amount of a PPE is de-recognized upon disposal of PPE or when no future economic benefits are expected from its use. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

Depreciation commences when the assets are ready for their intended use. Pursuant to the applicability of Schedule II of the Companies Act, 2013, depreciation on all PPE except land are provided on a straight line method based on the estimated useful life of PPE.

Residual values of assets have been considered at 5% of the original cost of the assets.

The depreciation calculation is based on the balance useful lives of assets and shift working. Depreciation on assets used on double shift basis have been increase by 50% for that period and Depreciation on assets used in triple shift basis have been increase by 100% for that period, except for assets in respect of which no extra shift depreciation is permitted (indicated by NESD in Part C of the schedule).

The useful life of PPE are reviewed at the end of each reporting period if the expected useful life of the asset changes significantly from previous estimates, the effect of such change in estimates are accounted for prospectively.

3.10 Inventories

Raw materials have been valued at cost on FIFO method.

Stores & Spares and Packing material have been valued at cost on FIFO method.

Work in Process has been valued at Raw material cost plus proportionate conversion cost.

Finished Goods lying at factory have been valued at Raw material cost plus conversion cost.

3.11 Provision

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

3.12 Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

3.13 Segment Reporting

The Company is in the business of manufacturing of leather chemicals which is the only reportable business segment as per Ind AS 108 'Operating Segments'.

3.14 Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares.

Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of common shares outstanding during the period.

Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding, for the effects of all dilutive potential equity shares. For the purposes of calculating basic EPS, shares allotted to ESOP trust pursuant to employee share based payment plan are not included in the shares outstanding till the employees have exercised their rights to obtain shares after fulfilling the requisite vesting conditions. Till such time, the shares are allotted are considered as dilutive potential equity shares for the purposes of calculating diluted EPS.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease earning per share from continuing operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented.

3.15 Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

3.16 Financial Instrument

Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

All regular way purchases or sales of financial assets are recognized and derecognized on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognized financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at Fair Value Through Profit & Loss (FVTPL).

However, financial liabilities that arise when a transfer of a financial asset does not qualify for de-recognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

Foreign exchange gains and losses

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognized in 'Other income'.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognized in profit or loss.

Cash and cash equivalents (for the purpose of Cash Flow Statement)

Cash and cash equivalents in Cash Flow Statement comprise cash at bank and in hand and fixed deposits with banks, which are subject to an insignificant risk of changes in value.

iii) Financial risk management objectives

The Company's Corporate Treasury function provides services to the business, co-ordinates access to domestic and international financial markets including market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

Audit & Risk Committee manages the financial risk of the company through internal risk reports which analyse exposure by magnitude of risk.

Market Risk

The company's activities majorly do not expose to the financial risks of changes in interest rates and foreign currency

exchange rates.

a) Interest rate risk management

The company is not exposed to interest rate risk because company borrow funds only at fixed interest rates and company also does not have any borrowings except working capital loan.

b) Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The company takes due care while extending any credit as per the approval matrix approved by ECRM.

c) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the company's short-term, medium-term and long-term funding and liquidity management requirements. The company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities. Note given below sets out details of additional undrawn facilities that the company has at its disposal to further reduce liquidity risk.

Dear Shareholder,

The Ministry of Corporate Affairs ("Ministry"), Government of India, has taken a "Green Initiative in Corporate governance" by allowing paperless compliances by companies through electronic mode. In accordance with the recent circular No. 17/2011 dated 21.04.2011 and 18/2011 dated 29.04.2011 issued by the Ministry, companies can now send various notices/documents (including notice, calling Annural General Meeting, audited financial statements, directors' report, auditors' report etc.) to their share holders through electronic mode, to the registered e-mail addresses of the share holders.

It is a welcome move for the society at large, as this will reduce paper consumption to great extent and allow public at large to contribute towards a green environment.

1. If you are holding shares in demat form, registered your e-mail with the depository participant (DP) with whom you are maintaining your demat account.
2. If you are holding share in physical form, your are requested to provide e-mail address by completing the e-communication registration form attached here to and return the same to company.

You can send the details to mguptacs@gmail.com.
