

REPPLAN RV

Water based non-ionic reviver for light-colored nubuck & suede uppers. It does not darken the color, and for this reason, it is best suited for light-colored leathers. It rebuilds and refreshes the look and feel of the uppers. It is fast drying and grants a soft feel and excellent writing effect. It retains the original color and imparts a pleasant translucent appearance.

- Characteristics :
- Reviver for light-colored uppers
 - Retains original colors and fast drying
 - Adds silky hand feel and smoothness
 - Excellent writing effect without darkening colors
 - Imparts pleasant translucent appearance
